ABOUT US

Established in 1973, MatTek has evolved to become Australia's market leader of matting solutions. Three generations of dedication, passion and care, combined with the knowledge that comes with almost half a century of industry experience sets us apart, and ahead of our competitors.

Our affiliations with world leading manufacturers, allows us to offer our partners access to current trends and the latest innovations.

MatTek is your single source of matting for floor injury prevention systems. Our rigorously trained sales team will recommend the right mat from your first contact. Our operations team will ensure fast delivery and our customer service team are always ready to back up the process.

We look forward to building a long and lasting relationship with you.

Moisture and Dirt Barriers

- Compliant with Australian Standards
- Environment friendly solutions
- Custom sizes and shapes
- Reduces slippery and dirty floors
- Anti-trip edging on all our mats
- Large colour range
- All our mats can be installed to suit existing mat well areas

As teachers and students travel into the school their shoes bring the outdoors in, be it rain, dirt or muck. The Placement of entry mats not only reduces slippery surfaces it also keeps facilities clean, reduces the spread of contamination and improves air quality.
