Percentage change over time of total number of resources redeemed in key categories in 2011 versus 2019.

At Woolworths, we want to make it fun and easy for kids to eat more fresh fruit and veggies every day. That's why we've worked with education experts to ensure our Fresh Food Kids Discovery Tours are fun and engaging, with hands-on activities that align to school curriculum outcomes.

Teachers will receive an activity pack for their classroom and each kid will pick up a free tour bag to keep discovering at home. Bookings are now open, and your school may even be eligible for a transport grant.

More than 250,000 kids have started their fresh food adventure
